

Disc Box Slider

2nd Disc Optional window. Let us know if you want this window. It's purpose is so you can see the 2nd disc if you have one.

As part of the Disc Box Slider's rigid licensing requirements, we must place the DBS logo and US Patent numbers along with the following very small text in this space:
"Distributed by BullseyeDisc.com under license of Stora Enso Activation AB"

This is only seen when looking at the back with the tray fully out.
